WEBINAR REPORT

Alumni Committee organized a series of webinars to present selected knowledge and experiences from our pride alumni's for the UG students of MIDSAR. The objective of the webinar was to serv both sides

- Awareness, information, guidance, motivation for UG students
- A platform for our alumni to be reconnected with MIDSAR as a guiding star.

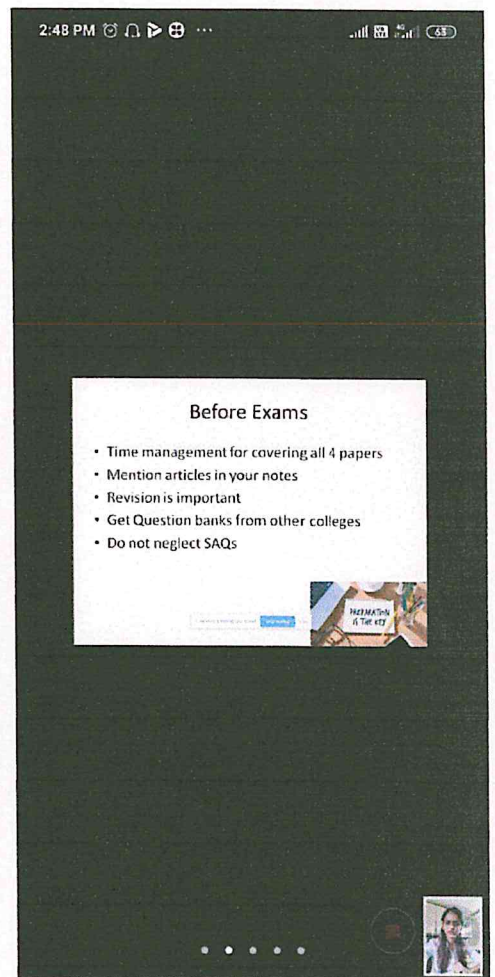

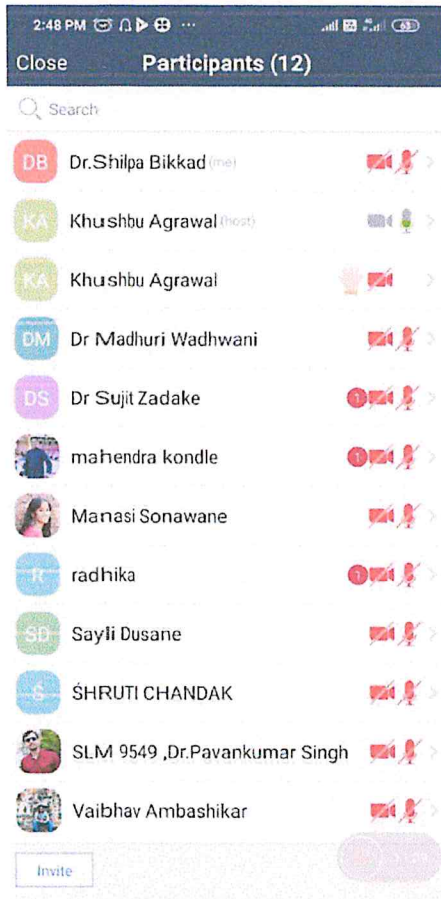

On appeal of chairman and convener alumni overwhelmed us with their huge response. Due to the limitations of time and availability of the topic of choice committee decided to conduct a slot of 6 webinars for now. Those who approached first were allotted the topics other interested alumni's will be given first preference in next slot.

After deciding the date and time comfortable for the students and speaker, time schedule circulated to all the departments of MIDSAR as well as groups of students. All the speakers awarded with e -certificate after the webinar.
